Dm

Dreams of freedom turned to dust

<i>Dm</i>	<i>F</i>	<i>C</i>	<i>Gm</i>	<i>E^b</i>
Hell	is waiting	where the ocean meets	Oh	mothers wipe your tears
<i>Dm</i>			<i>B^b</i>	<i>F</i>
the sand			your sons will rest a million years	<i>Gm</i>
Cliffs of burden			<i>E^b</i>	
	<i>A</i>	<i>F</i>	<i>B^b</i>	<i>F</i>
where the soldiers rushed into a			as foe turned to friend	
	<i>C</i>		<i>C</i>	
certain death			and forgave	
<i>Dm</i>			<i>B^b</i>	
At the shoreline			And they knew they'd die	
<i>F</i>	<i>C</i>	<i>Dm</i>		
Blood of heroes stains the land				
light a candle			(Chorus)	
<i>A</i>	<i>F</i>			
One for each of them who fought and				
	<i>C</i>			
died in vain				
<i>Dm</i>	<i>B^b</i>			
There is no enemy				
<i>F</i>	<i>C</i>	<i>Dm</i>		
There is no victory				
<i>B^b</i>	<i>F</i>			
Only boys who lost their lives in the				
<i>C</i>				
sand				
<i>Gm</i>	<i>E^b</i>			
Young men were sacrificed				
<i>B^b</i>	<i>F</i>			
Their names are carved in stone and				
<i>Gm</i>				
kept alive				
<i>E^b</i>	<i>B^b</i>			
and forever we will honour the				
<i>F</i>	<i>C</i>			
memory of them				
<i>B^b</i>				
And they knew they would die				

(Chorus)

The Price of a Mile

Sabaton

Em
Hear the sound of a machinegun

Bm
Hear it echo in the night

G
Mortars firing rains the scene

Bm
Scars the fields that once were green

Em
It's a stalemate at the frontline

Bm
Where the soldiers rest in mud

G
Roads and houses all is gone

Bm
There's no glory to be won

Em
Know that many men will suffer

D
Know that many men will die

G
Half a million lives at stake

Bm
At the fields of Passchendaele

C *D*
And as the the night falls the general

calls

G *D* *Em* *C*
And the battle carries on and on

D *Bm*
What is the purpose of it all?

C *D*
What's the price of a mile?

Em
Thousands of feet march to the beat

Bm
It's an army on the march

G
Long way from home

Bm *D*
Paying the price in young mens lives

Em
Thousands of feet march to the beat

Bm
It's an army in despair

G
Knee deep in mud

Bm *D*
Stuck in a trench with no way out

Em

<i>Em</i> Thousand of machineguns	<i>Em D Em D</i>
Kept on firing through the night <i>Bm</i>	<i>Em</i> Young men are dying
<i>G</i> Mortars blazed and wrecked the scene	<i>D</i> They pay the price
<i>Bm</i> Gone the fields that once were green	<i>Em</i> Oh how they suffer
<i>Em</i> Still a deadlock at the frontline	<i>Em D G</i> So tell me what's the price of a mile
Where the soldiers die in mud <i>Bm</i>	(Guitar Solo) <i>G Bm Em Bm C D</i>
<i>G</i> Roads and houses since long gone	<i>G Bm Em Bm</i>
<i>Bm</i> Still no glory has been won	<i>C D</i> There's no price for a mile!
<i>Em</i> Know that many men have suffered	
<i>D</i> Know that many men have died	(Chorus)
<i>G</i> 6 miles of ground have been won	
<i>Bm</i> Half a million men are gone	<hr/>
<i>C D</i> And as the men crawled the general	
called	
<i>G D Em C</i> And the killing carried on and on	
<i>D Bm</i> What was the purpose of it all?	
<i>C D</i> What's the price of a mile?	

(Chorus)

Fear of the Dark
Iron MaidenIntro: *Dm B^b C B^b C Dm*

Dm B^b C
I am a man who walks alone, and
B^b C Dm
 when I'm walking a dark road
B^b
 at night or strolling through the
C B^b C
 park
Dm B^b C
 When the lights begin to change, I
F G Dm
 sometimes feel a little strange
B^b C
 a little anxious when it's dark

B^b C
Fear of the dark, Fear of the
Dm C
 dark,
B^b
 I have a constant fear that
F G Dm
 something's always near
B^b C
 Fear of the dark, Fear of the
Dm C
 dark,
B^b F
 I have a phobia that someone's
G Dm
 always there

Dm B^b C Dm

Dm B^b
Have you run your fingers down the
 wall

And have you felt your neck skin
C
 crawl
 When you're searching for the light *Dm*
B^b
 Sometimes when you're scared to take
 a look
 At the corner of the room *C*
 You've sensed that something's
Dm
 watching you

(Chorus)

B^b C
Have you ever been alone at night
Dm C Dm
 Thought you heard footsteps behind
B^b
 And turned around and no one's
C
 there?
Dm B^b C
 And as you quicken up your pace
F G Dm
 You find it hard to look again
B^b
 Because you're sure there's someone
C
 there

(Chorus)

Dm B^b C B^b C Dm

Dm Fear of the dark, *A* *Dm* Fear of the

dark...

Dm B^b C B^b C Dm

Dm Watching horror films the night before *B^b* *C*

F *G* *Dm*
Debating witches and folklore

B^b *C*
The unknown troubles on your mind

Dm *B^b* *C*
Maybe your mind is playing tricks

F *G* *Dm*
You sense and suddenly eyes fix

B^b *C*
On dancing shadows from behind

(Chorus)

Dm *B^b* *C*
And when I'm walking a dark road

B^b *C* *Dm*
I am a man who walks alone.
