## 1 *Cliffs of Gallipoli* Sabaton

[Chorus:]

*Dm*  
Hear them whisper,  
*F C Dm*  
voices from the other side  
  
Hear them calling  
*A F*  
former foes now friends are resting  
*C*  
side by side  
*Dm*  
They will never  
*F C Dm*  
leave our hearts or fade away  
  
live forever  
*A F*  
they were far to young to die in such  
*C*  
a way  
*Dm Bb*  
how many wasted lives  
*F C Dm*  
how many dreams did fade away  
*Bb*  
broken promises  
*F C*  
they wont be coming home  
*Gm Eb*  
Oh mothers wipe your tears  
*Bb F*  
your sons will rest a million years  
*Gm Eb*  
found their peace at last  
*Bb F*  
as foe turned to friend  
*C*  
and forgive  
*Bb*  
And they knew theyd die

*Dm*  
Gallipoli  
*C Dm*  
Left their letters in the sand  
*Bb*  
Such waste of life  
*Dm*  
Gallipoli  
*Dm*  
Dreams of freedom turned to dust
