## Cliffs of Gallipoli

Sabatón

*Dm*  
Hear them whisper,  
*F C Dm*  
voices from the other side  
  
Hear them calling  
*A F*  
former foes now friends are resting  
*C*  
side by side  
*Dm*  
They will never  
*F C Dm*  
leave our hearts or fade away  
  
live forever  
*A F*  
they were far too young to die in such  
*C*  
a way  
*Dm Bb*  
how many wasted lives  
*F C Dm*  
how many dreams did fade away  
*Bb*  
broken promises  
*F C*  
they won't be coming home  
*Gm Eb*  
Oh mothers wipe your tears  
*Bb F Gm*  
your sons will rest a million years  
*Eb*  
found their peace at last  
*Bb F*  
as foe turned to friend  
*C*  
and forgave  
*Bb*  
And they knew they'd die

*C Dm*  
Gallipoli  
*C Dm*  
Left their letters in the sand  
*Bb*  
Such waste of life  
*Dm*  
Gallipoli  
*C Dm*  
Dreams of freedom turned to dust

<i>Dm</i>	<i>F</i>	<i>C</i>	<i>Gm</i>	<i>E<sup>b</sup></i>
Hell	is waiting	where the ocean meets	Oh	mothers wipe your tears
<i>Dm</i>			<i>B<sup>b</sup></i>	<i>F</i>
the sand			your sons will rest a million years	<i>Gm</i>
Cliffs of burden			<i>E<sup>b</sup></i>	
	<i>A</i>	<i>F</i>	<i>B<sup>b</sup></i>	<i>F</i>
where the soldiers rushed into a			as foe turned to friend	
	<i>C</i>		<i>C</i>	
certain death			and forgave	
<i>Dm</i>			<i>B<sup>b</sup></i>	
At the shoreline			And they knew they'd die	
<i>F</i>	<i>C</i>	<i>Dm</i>		
Blood of heroes stains the land				
light a candle			(Chorus)	
<i>A</i>	<i>F</i>			
One for each of them who fought and				
	<i>C</i>			
died in vain				
<i>Dm</i>	<i>B<sup>b</sup></i>			
There is no enemy				
<i>F</i>	<i>C</i>	<i>Dm</i>		
There is no victory				
<i>B<sup>b</sup></i>	<i>F</i>			
Only boys who lost their lives in the				
<i>C</i>				
sand				
<i>Gm</i>	<i>E<sup>b</sup></i>			
Young men were sacrificed				
<i>B<sup>b</sup></i>	<i>F</i>			
Their names are carved in stone and				
<i>Gm</i>				
kept alive				
<i>E<sup>b</sup></i>	<i>B<sup>b</sup></i>			
and forever we will honour the				
<i>F</i>	<i>C</i>			
memory of them				
<i>B<sup>b</sup></i>				
And they knew they would die				

(Chorus)

*The Price of a Mile*

Sabaton

*Em*  
Hear the sound of a machinegun

*Bm*  
Hear it echo in the night

*G*  
Mortars firing rains the scene

*Bm*  
Scars the fields that once were green

*Em*  
It's a stalemate at the frontline

*Bm*  
Where the soldiers rest in mud

*G*  
Roads and houses all is gone

*Bm*  
There's no glory to be won

*Em*  
Know that many men will suffer

*D*  
Know that many men will die

*G*  
Half a million lives at stake

*Bm*  
At the fields of Passchendaele

*C* *D*  
And as the the night falls the general

calls

*G* *D* *Em* *C*  
And the battle carries on and on

*D* *Bm*  
What is the purpose of it all?

*C* *D*  
What's the price of a mile?

*Em*  
Thousands of feet march to the beat

*Bm*  
It's an army on the march

*G*  
Long way from home

*Bm* *D*  
Paying the price in young mens lives

*Em*  
Thousands of feet march to the beat

*Bm*  
It's an army in despair

*G*  
Knee deep in mud

*Bm* *D*  
Stuck in a trench with no way out

*Em*

<i>Em</i> Thousand of machineguns	<i>Em D Em D</i>
Kept on firing through the night <i>Bm</i>	<i>Em</i> Young men are dying
<i>G</i> Mortars blazed and wrecked the scene	<i>D</i> They pay the price
<i>Bm</i> Gone the fields that once were green	<i>Em</i> Oh how they suffer
<i>Em</i> Still a deadlock at the frontline	<i>Em D G</i> So tell me what's the price of a mile
Where the soldiers die in mud <i>Bm</i>	(Guitar Solo) <i>G Bm Em Bm C D</i>
<i>G</i> Roads and houses since long gone	<i>G Bm Em Bm</i>
<i>Bm</i> Still no glory has been won	<i>C D</i> There's no price for a mile!
<i>Em</i> Know that many men have suffered	
<i>D</i> Know that many men have died	(Chorus)
<i>G</i> 6 miles of ground have been won	
<i>Bm</i> Half a million men are gone	<hr/>
<i>C D</i> And as the men crawled the general	
called	
<i>G D Em C</i> And the killing carried on and on	
<i>D Bm</i> What was the purpose of it all?	
<i>C D</i> What's the price of a mile?	

(Chorus)

Fear of the Dark  
Iron MaidenIntro: *Dm B<sup>b</sup> C B<sup>b</sup> C Dm*

*Dm B<sup>b</sup> C*  
I am a man who walks alone, and  
*B<sup>b</sup> C Dm*  
 when I'm walking a dark road  
*B<sup>b</sup>*  
 at night or strolling through the  
*C B<sup>b</sup> C*  
 park  
*Dm B<sup>b</sup> C*  
 When the lights begin to change, I  
*F G Dm*  
 sometimes feel a little strange  
*B<sup>b</sup> C*  
 a little anxious when it's dark

*B<sup>b</sup> C*  
Fear of the dark, Fear of the  
*Dm C*  
 dark,  
*B<sup>b</sup>*  
 I have a constant fear that  
*F G Dm*  
 something's always near  
*B<sup>b</sup> C*  
 Fear of the dark, Fear of the  
*Dm C*  
 dark,  
*B<sup>b</sup> F*  
 I have a phobia that someone's  
*G Dm*  
 always there

*Dm B<sup>b</sup> C Dm*

*Dm B<sup>b</sup>*  
Have you run your fingers down the  
 wall

And have you felt your neck skin  
*C*  
 crawl  
 When you're searching for the light *Dm*  
*B<sup>b</sup>*  
 Sometimes when you're scared to take  
 a look  
 At the corner of the room *C*  
 You've sensed that something's  
*Dm*  
 watching you

(Chorus)

*B<sup>b</sup> C*  
Have you ever been alone at night  
*Dm C Dm*  
 Thought you heard footsteps behind  
*B<sup>b</sup>*  
 And turned around and no one's  
*C*  
 there?  
*Dm B<sup>b</sup> C*  
 And as you quicken up your pace  
*F G Dm*  
 You find it hard to look again  
*B<sup>b</sup>*  
 Because you're sure there's someone  
*C*  
 there

(Chorus)

*Dm B<sup>b</sup> C B<sup>b</sup> C Dm*

*Dm* Fear of the dark, *A* *Dm* Fear of the

dark...

*Dm B<sup>b</sup> C B<sup>b</sup> C Dm*

*Dm* Watching horror films the night before *B<sup>b</sup>* *C*

*F* *G* *Dm*  
Debating witches and folklore

*B<sup>b</sup>* *C*  
The unknown troubles on your mind

*Dm* *B<sup>b</sup>* *C*  
Maybe your mind is playing tricks

*F* *G* *Dm*  
You sense and suddenly eyes fix

*B<sup>b</sup>* *C*  
On dancing shadows from behind

(Chorus)

*Dm* *B<sup>b</sup>* *C*  
And when I'm walking a dark road

*B<sup>b</sup>* *C* *Dm*  
I am a man who walks alone.
